the concept of history reflects on the presuppositions behind the contemporary understanding of history that often remain implicit and not spelled out it is a critique of the modern understanding of history that presents it as universal and teleological progressively moving forward to an end although few contemporary philosophers and historians maintain the view that there is strict universality and teleology in history the remnants of these positions still affect our understanding of history but if history is not universal and singular evolving toward an objective universal end it should be possible to admit of multiple histories some of which we appropriate as our own an another important aspect of this book is that if provides an account of history that is itself both historical and rooted in attempts to narrate and explain history from its inception in antiquity the book seeks to establish features or constituents of history that might be found in any historical account and might themselves be considered historical invariants in history

ecclesiastes is a persuasive speech with a rhetoric so unique that it can be easily misunderstood it speaks powerfully to believers as well as nonbelievers because it addresses the question of the meaning of life in the most satisfying way the heart of this book is an expositional commentary that interprets ecclesiastes as authoritative scripture it seeks to recover the rhetoric of the speech in terms of its comprehensive message on the meaning of life as well as its compelling force to get the message across preceding the expositional commentary is an introduction to ecclesiastes that presents a new approach to outlining and reading ecclesiastes as a coherent speech it also presents an overview of the forest the overall rhetorical flow of the speech from beginning to end this is to prevent one from getting lost when immersed in the trees of the expositional commentary following the expositional commentary are two topical studies to give ecclesiastes the breadth and depth of coverage it deserves the first is an interdisciplinary

exposition on the meaning of life the second is an interpretive essay to defend exegetically the interpretation of ecclesiastes as a coherent speech
