for more than a century mexican american journalists used their presses to voice socio historical concerns and to represent themselves as a determinant group of communities in nuevo mĉxico a particularly resilient corner of the chicano homeland this book draws on exhaustive archival research to review the history of newspapers in these communities from the arrival of the first press in the region to publication of the last edition of santa feŃs el nuevo mexicano gabriel melĉndez details the education and formation of a generation of spanish language journalists who were instrumental in creating a culture of print in nativo communities he then offers in depth cultural and literary analyses of the texts produced by los periodiqueros establishing them thematically as precursors of the chicano literary and political movements of the 1960s and Ń70s moving beyond a simple effort to reinscribe nuevomexicanos into history melĉndez views these newspapers as cultural productions and the work of the editors as an organized movement against cultural erasure amid the massive influx of easterners to the southwest readers will find a wealth of information in this book but more important they will come away with the sense that the survival of nuevomexicanos as a culturally and politically viable group is owed to the labor of this brilliant generation of newspapermen who also were statesmen scholars and creative writers

the existence of a early spanish translation of erasmus s encomium moriae has been matter of speculation and unsuccessful research for over a century this volume offers for the first time the edition of a seventeenth century manuscript discovered at ets haim livraria montezinos amsterdam by its editors they demonstrate that it is not only the first known early modern spanish translation of erasmus s chef d œuvre but a copy of a much earlier version composed in mid sixteenth century this scholarly edition has been arranged for an easy textual collation with the canonical edition asd iv 3 and translation cwe 27 of erasmus s praise of folly and includes an extensive apparatus of footnotes devoted both to

this version and to erasmus s moriae encomium itself

juan diego s little sister is a mind reader as a teenager he struggles to keep anything secret lupe knows all the worst things that go through his mind and sometimes she knows more what a terrible burden it is to know or to think you know your future or worse the future of someone you love what might a young girl be driven to do if she thought she had the power to change what lies ahead later in life juan diego embarks on a journey to fulfil a promise he made in his youth it is a long story and it has long awaited an ending but juan diego is unable to write the final chapters this is the story of what happens when the future collides with the past

the workshop production comprehension asymmetries in child language held in osnabrück in 2009 is the starting point for this book the workshop developed from the observation that children s production skills appear to precede their comprehension skills in a number of phenomena e g pronouns or negation the volume provides cross linguistic evidence for such asymmetric development and investigates grammatical and methodical explanations of the observed asymmetries

the presence of bodies and sex in detective fiction has been a long term feature of this internationally popular genre titillation is at the centre of narratives reliant upon discovery and revelation motives and criminals are slowly revealed along with sexualized and violated bodies from femmes fatales to the corpses of victims a satisfying gratifying genre for its readership the detective novel promises the disruption and subsequent restoration of order in societies tarnished by disillusionment which hope for a better future this book takes as its focus examples of detective fiction from cuba and mexico during or in the aftermath of huge social upheaval the special period and the war on drugs analyzing representations of sexualities bodies and the genre itself through an investigation of novels by leonardo padura and amir valle of cuba and bef and rogelio guedea of mexico this work investigates increasingly fluid sexualities and bodies in challenging examples of metaphysical detective fiction a particularly anxious subgenre which challenges both the structures and limits of the detective novel and the reader s understanding of true and false and right and wrong representative of troubling periods of severe social disruption for cuba and mexico

this book explores the relationship between time life and history in the work of jorge luis borges and examines his work in relation to his contemporary walter benjamin by focusing on texts from the margins of the borges canon including the early poems on buenos aires his biography of argentina s minstrel poet evaristo carriego the stories and translations from a universal history of infamy as well as some of his renowned stories and essays kate jenckes argues that borges s writing

performs an allegorical representation of history interspersed among the readings of borges are careful and original readings of some of benjamin s finest essays on the relationship between life language and history reading borges in relationship to benjamin draws out ethical and political implications from borges s works that have been largely overlooked by his critics
