Watson Stephen J. Vicchio Kenneth J. Winkle Jon D. Schaff Abraham Lincoln Abraham Lincoln Osborn Hamiline Oldroyd Abraham Lincoln Carl Sandburg Lloyd Ostendorf William Henry Herndon Helen Cothran Harlan Hoyt Horner*

coming on the heels of the bicentennial of abraham lincoln s birth lincoln s enduring legacy offers highly readable and accessible perspectives on lincoln at 200 in terms of his impact on great leaders and thinkers and his place in american history the book explores how lincoln s words and deeds have influenced the pursuit of justice and freedom and the practice of democracy in the century and a half since he governed lincoln as an abolitionist the architect of reconstruction an avowed unionist a wordsmith and rhetorician his age s foremost prophet for democracy and america s greatest president remains an iconic image in american memory

this work is a summary and analysis of abraham lincoln s religion this study begins with a description of the earliest relations mr lincoln had with religion his parents dedication to a sect known as the separate baptists by late adolescence lincoln began to reject his parents faith and he appears to have been a religious skeptic until his marriage to mary todd after his marriage he attended protestant services with his wife and family but there was little evidence that he was deeply religious in that

time lincoln knew the scriptures quite well but it was not until the death of his two sons eddie in 1850 and willie in 1862 that as the sixteenth president put it he became more intensely concerned with god s plan for human kind

the stirring history of a president and a capital city on the front lines of war and freedom in the late 1840s representative abraham lincoln resided at mrs sprigg s boardinghouse on capitol hill known as abolition house mrs sprigg s hosted lively dinner table debates of antislavery politics by the congressional boarders the unusually rapid turnover in the enslaved staff suggested that there were frequent escapes north to freedom from abolition house likely a cog in the underground railroad these early years in washington proved formative for lincoln in 1861 now in the white house lincoln could gaze out his office window and see the confederate flag flying across the potomac washington dc sat on the front lines of the civil war vulnerable and insecure the capital was rife with confederate sympathizers on the crossroads of slavery and freedom the city was a refuge for thousands of contraband and fugitive slaves the lincoln administration took strict measures to tighten security and established camps to provide food shelter and medical care for contrabands in 1863 a freedman s village rose on the grounds of the lee estate where the confederate flag once flew the president and mrs lincoln personally comforted the wounded troops who flooded wartime washington in 1862 lincoln spent july 4 riding in a train of ambulances carrying casualties from the peninsula campaign to washington hospitals he saluted the one legged brigade assembled outside the white house as orators their wounds eloquent expressions of sacrifice and dedication the administration built more than one hundred military hospitals to care for union casualties these are among the unforgettable scenes in lincoln s citadel a fresh absorbing narrative history of lincoln s leadership in civil war washington here is the vivid story of how the lincoln administration met the immense challenges the war posed to the city transforming a vulnerable capital into a bastion for the union

this bold groundbreaking study of american political development assesses the presidency of abraham lincoln through the lenses of governmental power economic policy expansion of executive power and natural rights to show how lincoln not only believed in the limitations of presidential power but also dedicated his presidency to restraining the scope and range of it though lincoln s presidency is inextricably linked to the civil war and he is best known for his defense of the union and executive wartime leadership lincoln believed that congress should be at the helm of public policy making likewise lincoln may have embraced limited government in vague terms but he strongly supported effective rule of law and distribution of income and wealth placing the lincoln presidency within a deeper and more meaningful historical context abraham lincoln s statesmanship and the limits of liberal democracy highlights lincoln s significance in the development of american power institutions and social

movement politics using lincoln s prepresidential and presidential words and actions this book argues that decent government demands a balance of competing goods and the strong statesmanship that lincoln exemplified instead of relying too heavily on the will of the people and institutional solutions to help prevent tyranny jon d schaff proposes that american democracy would be better served by a moderate and prudential statesmanship such as lincoln s which would help limit democratic excesses schaff explains how lincoln s views on prudence moderation natural rights and economics contain the notion of limits then views lincoln s political and presidential leadership through the same lens he compares lincoln s views on governmental powers with the defense of unlimited government by twentieth century progressives and shows how lincoln s theory of labor anticipated twentieth century distributist economic thought schaff s unique exploration falls squarely between historians who consider lincoln a protoprogressive and those who say his presidency was a harbinger of industrialized corporatized america in analyzing lincoln s approach abraham lincoln s statesmanship and the limits of liberal democracy rejects the idea he was a revolutionary statesman and instead lifts up lincoln s own affinity for limited presidential power making the case for a modest approach to presidential power today based on this understanding of lincoln s statesmanship as a counterpoint to the contemporary landscape of bitter uncivil politics schaff points to lincoln s statesmanship as a model for better ways of engaging in politics in a democracy
