this book addresses major theoretical issues in the fields of public administration and comparative politics it discusses the role which ideology played as a unifying force for at least parts of the german state bureaucracy in wilhelmine germany the examination of a modernizing ideology in the german case is useful for an understanding of the political dynamics of state led modernization and industrial strategy in many contemporary societies and the author explains political behaviour and relations in germany in general terms that are universally relevant

this title was first published in 2000 politics cannot be conceived of as just a subsystem of society or as a network of particular interests the concept of interests and their role within the normative political debate is given a new interpretation by this book which examines how political interest market mechanisms and rational

choice theories exist in the light of democratic freedom and social justice the book builds on different concepts of procedural justice from schumpeter buchanan and habermas s conceptions of democracy and the role of political compromise and coalition in the idea of consensus as a condition for political legitimation

at the heart of making play just right unleashing the power of play in occupational therapy is the belief that the most effective way to ensure pediatric occupational therapy is through incorporating play the second edition is a unique resource on pediatric activity and therapy analysis for occupational therapists and students this text provides the background history evidence and general knowledge needed to use a playful approach to pediatric occupational therapy as well as the specific examples and recommendations needed to help therapists adopt these strategies
