this essential guide offers a new approach to doctoral writing written specifically for doctoral supervisors rejecting the diy websites and manuals that promote a privatised skills based approach to writing research kamler and thomson offer a new framework for scholarly work to help doctorate students produce clear and well argued dissertations drawing on a wide range of research and hands on experience the authors argue that making an original contribution to scholarly knowledge requires doctoral candidates to do both text and identity work their discussion of the complexities of forming a scholarly identity is illustrated by the stories and writing of real doctoral students

this book offers an in depth study of the poetics of creative writing as a subject in the dramatically changing context of practice as research taking into account the importance of the subjectivity of the writer as researcher it explores creative writing and theory while offering critical antecedents theoretical directions and creative interchanges the book narrows the focus on psychoanalysis particularly

with regard to lacan and creative practice and demonstrates that creative writing is research in its own right the poetics at stake neither denotes the study or the techniques of poetry but rather the means by which writers formulate and discuss attitudes to their work

practical strategies for record keeping class management and planning

the longman guide to writing center theory and practice offers in unparalleled breadth and depth the major scholarship on writing centers this up to date resource for students instructors and scholars anthologizes essays on all major areas of interest to writing center theorists and practitioners seven sections provide a comprehensive view of writing centers history progress theorizing the writing center defining the writing center s place writing across the curriculum the practice of tutoring cultural issues and technology

inspired by a philosophy of individualism and moral vigilance bly combines ideas and techniques from social work psychotherapy and neuroscience with the traditional teaching of fresh metaphor salient dialogue lively pace and analysis of other literary work cover

the rise of creative writing has been accompanied from the start by two questions can it be taught and should it be taught this scepticism is sometimes shared even by those who teach it who often find themselves split between two contradictory identities the artistic and the academic against creative writing explores the difference between writing which is what writers do and creative writing which is the instrumentalisation of what writers do beginning with the question of whether writing can or ought to be taught it looks in turn at the justifications for ba ma and phd courses and concludes with the divided role of the writer who teaches it argues in favour of creative writing as a form of hands on literary education at undergraduate level and a form of literary apprenticeship at graduate level especially in widening access to new voices it argues against those forms of creative writing that lose sight of literary values as seen in the proliferation of curricular couplings with non literary subjects or the increasing emphasis on developing skills for future employment against creative writing written by a writer is addressed to other writers inside or outside the academy at undergraduate or graduate level whether creative or critical

in clear language fletcher and portalupi explain the simple principles that underlie the writing workshop and explore the major components that make it work

designed with today s students in mind grammar rules are presented explained in a clear simple manner so that students can grasp them quickly apply them to their writing the teacher s edition presents ideas prompts for students writing includes strategies for effective grammar instruction provides assessment rubrics for evaluating students writing supplies checklists for revising editing proofreading proofreading provides answers on the page in the answer key

within and beyond the writing process in the secondary english classroom combines an up to date balanced and integrated approach to writing instruction focusing on both composition theory and practice
