madame bovary scandalized its readers when it was first published in 1857 and the story itself remains as fresh today as when it was first written a work that remains unsurpassed in its unveiling of character and society it tells the tragic story of the romantic but empty headed emma rouault when emma marries charles bovary she imagines she will pass into the life of luxury and passion that she reads about in

sentimental novels and women's magazines but Charles is an ordinary country doctor and provincial life is very different from the romantic excitement for which she yearns. In her quest to realize her dreams she takes a lover Rodolphe and begins a devastating spiral into deceit and despair and Flaubert captures every step of this catastrophe with sharp-eyed detail and a wonderfully subtle understanding of human emotions.

Emma Bovary is an avid reader of sentimental novels brought up on a Normandy farm and convent educated. She longs for the passion of romance. At first Emma pins her hopes on marriage but life with her well-meaning husband in the provinces leaves her bored and dissatisfied. She seeks escape through extravagant spending sprees and eventually adultery as Emma pursues her impossible reverie she seals her own ruin and despair. Exquisite moving at times ferociously satirical and always psychologically acute, *Madame Bovary* remains one of the greatest most beguiling novels ever written. This stunning new translation by the celebrated novelist Adam Thorpe delicately and meticulously transposes the rhythms, tone and poetry of *Madame Bovary* and brings us closer to its shifting depths. It is destined to become the definitive English translation of our time.

Madame Bovary takes place in provincial northern France near the town of Rouen in Normandy. The story begins and ends with Charles Bovary, a stolid kindhearted man without much ability or ambition. As the novel opens Charles is a shy, oddly dressed teenager arriving at a new school amidst the ridicule of his new classmates. Later Charles struggles his way to a second-rate medical degree and becomes an *officier de santé* in the public health service. His mother chooses a wife for him, an unpleasant but supposedly rich widow named Heloise Dubuc, and Charles sets out to build a practice in the village of Tostes. One day Charles visits a local farm to set the owner's broken leg and meets his client's daughter Emma Rouault. Emma is a beautiful daintily dressed young woman who has received a good education in a convent and who has a latent but powerful yearning for luxury and romance.
