dieser handliche ratgeber liefert neben einem kurzen praxisorientierten Überblick über das management reporting eine vertiefende darstellung von störungen und fehlerquellen im umgang mit berichts informationen aufbauend auf aspekten des behavioural accounting bzw der organisationspsychologie stellt das buch die praktischen auswirkungen und vor allem konkrete beispiele in den mittelpunkt es wird erläutert wie typische fehler störungen und missverständnisse im reportingprozess erkannt und vermieden werden können

das essential beschäftigt sich mit der frage in welcher form und in welchem ausmaß das interne berichtswesen beabsichtigte und unbeabsichtigte verhaltenswirkungen bei den beteiligten auslöst und umgekehrt selbst durch nicht intendiertes verhalten von beteiligten in seinen wirkungen beeinflusst wird der ansatz des behavioral accounting wird dabei auf die spezifische controllingaufgabe des internen berichtswesens angewendet andreas taschner erläutert wie berichte bei berücksichtigung ihrer direkten und indirekten wirkungen auf das verhalten einzelner betroffener zu einem wirkungsvollen instrument der unternehmenssteuerung werden

sowohl das erstellen als auch das lesen von berichten gilt als pflichtübung die wenig produktiv und selten spannend ist zu unrecht wie dieses buch zeigen will internes berichtswesen management reporting ist nichts weniger als ein zentrales element des informationsmanagements und damit ein wesentlicher erfolgsfaktor für jedes unternehmen das buch schließt eine lücke indem es das interne berichtswesen von seinem ruf als theoriefreies praktikerthema befreit und für alle behandelten themen fundierte aber auch für leser ohne vorkenntnisse verständliche theoriebezüge herstellt informationstheorie behavioural accounting internationales rewe etc alle inhalte werden in vier verschiedene und gekennzeichnete kategorien eingeteilt welche einen individuellen lesepfad durch das buch ermöglichen

management accounting has been the basic toolbox in business administration for decades today it is an integral part of all curricula in business education and no student can afford not to be familiar with its basic concepts and instruments at the same time business in general and management accounting in particular is becoming more and more international english clearly has evolved as the lingua franca of international business academics students as well as practitioners exchange their views and ideas discuss concepts and communicate with each other in english this is certainly also true for management accounting and control management accounting is becoming more and more international management accounting and control is a new textbook in english covering concepts and instruments of management accounting at an introductory level primarily at the bachelor level but also suited for general management and mba courses due to a strong focus on practical relevance this textbook covers all topics that are relevant in management accounting in business organizations that are typically covered in german and central european bachelor courses on management accounting and control after a general introduction to the field of management accounting and control the book discusses cost management as an extension of cost accounting typical cost

management instruments such as target costing life cycle costing and process based costing approaches are explained in detail differences between anglo american activity based costing abc and german process based costing are highlighted the book then turns to an extensive discussion of planning and budgeting tasks in management accounting with a strong focus on the practical application of the topic such as developing a budget in practice another chapter is dedicated to a comparison of traditional budgeting with modern alternative budgeting approaches a major part of the book is dedicated to the broad area of performance management the relevance of financial statement information for performance management purposes is discussed in detail in addition the most widely spread financial performance indicators are illustrated using real world examples the book also includes detailed content on value based management control concepts in a consecutive chapter performance measurement is linked with strategy while extensively discussing the balanced scorecard as a key tool in strategic performance management the remaining parts of the book deal with management reporting as one of the main operative tasks in management accounting practice the book closes with insight into new fields and developments that currently influence management accounting practices and research and promise to play an increasingly important role in the future

beginning with 1962 references are not limited to material in the english language

coverage of publications outside the uk and in non english languages expands steadily until in 1991 it occupies enough of the guide to require publication in parts
