to the public but as this study developed it led to a series of revelations which brought
us to an unexpected interpretation of this phenomenon indeed it became all too obvious

human society is taking more and more measures are being implemented that are threatening
the health well being and freedom of human beings the world over under the guise of
security purposes those responsible for this are not only our leaders but occult forces
which are exposed in this book we were therefore led to unveil what we can indeed refer to
as the greatest treachery in human history extremely powerful dark forces have been acting
