covering a period of more than one hundred years of work by renowned folklorists these enlightening essays explore the timeless tale of cinderella in addition to the most famous versions of the story basile s pentamerone perrault s cendrillon and the grimm s aschenputtel this casebook includes articles on other versions of the tale from russian english chinese greek and french folklore the volume concludes with several interpretive essays including a psychoanalytic view from dundes and a critique of the popularization of cinderella in america folklorists scholars of children s literature and feminists should appreciate particularly the wide scope of this collection now in paperback with an updated bibliographical addendum most helpful are the two page introductions to each variant and to each essay which include a brief overview of the historical times as well as suggested additional sources for more discussion danny rochman folklore forum a milestone a near complete source of primary and secondary materials the selected analytical writing include definitive classic and new discoveries covering the whole range of methodological modes and theoretical perspectives from early forms and typology to myth ritual social historical anthropological and psychoanalytical readings the annotated bibliography is most helpful illuminating and comprehensive encompassing publications in other western languages and works by asianists chieko mulhern asian folklore studies one can imagine several dimensions on which psychoanalysts might find such a collection interesting as examples of applied psychoanalysis in relation to philosophical and cultural examination of imaginative material in relation to child development and in the correlations between folktales of a particular culture and individual histories kerry kelly novick psychoanalytic quarterly

this student workbook reviews the critical terminologies processes and skills needed for understanding and responding to crises the exercises provide students with the opportunity to respond to real world crises sharpen their own skills and practice response behaviours

reimagining contract law pedagogy examines why existing contract teaching pedagogy has remained in place for so long and argues for an overhaul of the way it is taught with contributions from a range of jurisdictions and types of university it provides a survey of contract law courses across the common law world reviewing current practice and expressing concern that the emphasis the current approach places on some features of contract doctrine fails to reflect reality the book engages with the major criticism of the standard contract course which is that it is too narrow and rarely engages with ordinary life or at least ordinary contracts and argues that students are left without vital knowledge this collection is designed to be a platform for sharing innovative teaching experiences with the aim of building a new approach that addresses such issues this book will have international appeal and will be of interest to academics researchers and postgraduates in the fields of law and education it will also appeal to teachers of contract law as well as governmental and legal profession policymakers

is the bible historically accurate are there any contradictions in the bible if we look too closely at the bible might we find things that will destroy our faith should i be afraid that some new archeological discovery will prove the bible wrong how much freedom do i have to interpret the bible combining history scripture and an understanding of human nature dr thompson takes on the difficult questions regarding the bible and inspiration he goes beyond the question of whether you can trust the bible to ask whether you can trust yourself as you study this unique study of inspiration uses internal evidence from the bible text its history collection and transmission to look at the way in which god works through prophets and bible writers as an experiential lens he uses the experience of the seventh day adventist community of which he is a part and its reception and use of ellen white as god s messenger this provides an example of someone who produced an incredible volume of written material in her lifetime yet maintained a great humility and understood her own spiritual experience as one of growth however inspiration hard questions honest answers is not just for seventh day adventists the lessons drawn from the experience of one community have wide applicability as we look at a range of views on biblical interpretation experience tradition and contemporary claims of a prophetic word all communities of faith would do well to ask the hard questions addressed in this book and to learn from the history and experience of others ultimately the author is addressing a question that comes to all of us what is god s will and how can i know it can i be certain to find the answers we need dr thompson reminds us we cannot just know scripture we have to know god in this second revised edition you will find a new bridge chapter designed to invite readers outside of the adventist tradition to join in the conversation as well as a number of minor updates and a set of beautiful

photographs and drawings inspired by scripture prepared for this edition by wanda thompson it is not enough to determine how the inspiration of scripture works as a theological tenet or a doctrinal point ultimately for god s word in scripture to accomplish its mission we must each be inspired by it as well

media management a casebook approach provides a detailed look at each of the major areas of responsibility that fall to the managers of media organizations such as leadership motivation planning marketing and strategic management retaining its core content and case study approach this third edition draws upon the latest organizational and management research to guide students in the development of their managerial skills it provides media based cases that give students the opportunity to develop their critical thinking and problem solving skills updates in this edition include research and examples to reflect the current state of the industry material on convergence new media and international aspects as well as their influences on leadership and planning information and research on new media the internet and their future implications for media managers technology and online resource sections and examples and information on data used by advertisers and media organizations this textbook also offers new material on the structure of the internet new media and converged and international media organizations it is intended for advanced undergraduates and graduate students in media management courses
