jorge sanders thinks he has life figured out it may not be glamorous living in a cramped apartment in mississauga where his pipes leak and his neighbours are always in his business but it s all his own when his friend offers him a chance to fight in an underground mma ring and his boss offers him a promotion if he can finish his college degree he says yes to both prospects without thinking both of them through he s been able to handle his strange life so far why not take on the added challenge andrew bergen s life has been far from easy but a fluke invention of an incredibly profitable video game app has allowed him to live a dream life at twenty six no longer needing to work and already too consumed by his dysfunctional past and broken family life he decides to complete a college degree so he can at least be around some real people and not glowing green avatars on a screen that s where he meets jorge a perpetually late fast food worker with a budding fighting career who seems to stand for everything andrew despises but who only proves to be more kind generous and loving than andrew

could ever imagine but love is risky and when the two are paired for their final project in class there is more than one opportunity for a fight to emerge and for both of them to walk away far more wounded than they ever anticipated
