as seen on the today show no one knows colleges like the princeton review the princeton review s college rankings started in 1992 with surveys from 30 000 students over 25 years and more than a million student surveys later we stand by our claim that there is no single best college only the best college for you and that this is the book that will help you find it what

makes the best 382 colleges the most popular college guide straight from students to you 382 in depth school profiles based on candid feedback from 137 000 students covering academics administration campus life and financial aid insights on unique college character social scene and more ranking lists ratings scores lists of the top 20 colleges in 62 categories based on students opinions of academics campus life facilities and much more ratings for every school on financial aid selectivity and quality of life bonus list of the 200 best value schools featured in colleges that pay you back detailed admissions information the inside word on competitive applications test scores tuition and average indebtedness comprehensive information on selectivity freshman profiles and application deadlines at each school what the media is saying about the princeton review s best colleges guide the most efficient of the college guidebooks has entertaining profiles larded with quotes from students rolling stone the offbeat indexes along with the chattily written descriptions of each school provide a colorful picture of each campus the new york times a great book it s a bargain cnn our favorite college guidebook seventeen provides the kind of feedback students would get from other students in a campus visit usa today

most law school guides offer school reported stats to admission rates average test scores etc no publisher understands insider information like vault now vault brings this expertise to law schools unlike other law school resources vault s guide includes insider information about employment and admissions

when it first appeared usa today called this book the guide that doesn t follow a textbook approach to college life the best 310 colleges is based on the princeton review s student surveys the largest campus surveys in the nation more than 59 000 students answer questions on everything from academics to campus life topics include the quality of teaching dorms and dining hall fare campus politics left or right and conservative or liberal whether the student body is diverse or homogeneous tolerant or intolerant of race class relations and of gay students and high or low in its use of beer liquor and marijuana in fact this book has caused schools across the country to change their food campuses and drinking policies also included is information concerning admission and financial aid policies student body demographics average recentered sat scores and what s hot what s not as well as the counselor o matic an easy to use if highly

unscientific guide to your chances of getting into each of the top 310 colleges by calculating your desirability rating and comparing it to each school s selectivity rating here s a sampling of what students have to say this school is filled with wealthy well dressed egomaniacs who are about as socially conscious as marie antoinette i m premed and there s no place i would rather be the academics are a killer no joke but for those few who survive the world is their oyster if you re not caucasian the adjustment here is tremendous since this is a jesuit institution not all viewpoints get expressed particularly liberal ones about gays and premarital sex you have to be smart about whereyou go at night the food here is really bad it s either bland or sickening you re lucky if they don t screw up the bread socially the surrounding area is so dead that the denny s closes at night girls over 5 8 watch out for some reason guys here have munchkin blood in them or something
