a lifetime of experience in the menswear business is being passed on with publication of the a to z book of menswear although it is designed for people associated with the business rather than the consuming public there is plenty in it for everyone it is sure to be a great gift for any man with more than a passing interest in what he wears the a to z book of menswear is a collection of more than 2 700 words used in the menswear business it also has a companion website at atozbook.info with images and more information that could not be fitted into the handy sized paperback book

thoughtful witty and illuminating in this book michele white explores the ways normative masculinity is associated with computers and the internet and is a commonly enacted online gender practice through close readings and a series of case studies that range from wedding forums to men s makeup video tutorials white considers the ways masculinities are structured through people s collaborations and contestations over the establishment of empowered positions including debates about such key terms and positions as the nice guy nerd bro and groom she asserts that cultural notions of masculinity are reliant on figurations of women and femininity and explores cultural conceptions of masculinity and the association of normative white heterosexual masculinity with men and women a counterpart to her earlier book producing women white has crafted an excellent primer for scholars of gender media and internet studies

this revised edition of a now classic text includes a new introduction by henry jenkins explaining why fiske still matters for today s students followed by a discussion between former fiske students kevin glynn jonathan gray and pamela wilson on the theme of reading fiske and understanding the popular both underline the continuing relevance of

this foundational text in the study of popular culture what is popular culture how does it differ from mass culture and what do popular texts reveal about class race and gender dynamics in a society john fiske answers these and a host of other questions in understanding popular culture when it was first written understanding popular culture took a groundbreaking approach to studying such cultural artifacts as jeans shopping malls tabloid newspapers and tv game shows which remains relevant today fiske differentiates between mass culture the cultural products put out by an industrialized capitalist society and popular culture the ways in which people use abuse and subvert these products to create their own meanings and messages rather than focusing on mass culture s attempts to dominate and homogenize he prefers to look at and revel in popular culture s evasions and manipulations of these attempts designed as a companion to reading the popular understanding popular culture presents a radically different theory of what it means for culture to be popular that it is literally of the people it is not imposed on them it is created by them and its pleasures and meanings reflect popular tastes and concerns and a rejection of those fostered by mass culture with wit clarity and insight professor fiske debunks the myth of the mindless mass audience and demonstrates that in myriad ways popular culture thrives because that audience is more aware than anyone guesses
