the fruit of decades of research the picture of paul that martyn paints in this major work is arresting both horrified and thankful to find in the crucifixion of god s christ the death of the old cosmos and the birth of the new one paul was able to pre

this memoir records the story of the author s personal journey toward a life of university teaching and probes that story in reflective essays on a variety of subjects one group of essays has to do with the characteristic activities and institutional setting of a professor other essays explore ways of experiencing the world as mysterious beautiful and tragic one piece offers a rather somber account of current ways in which the american experiment in democracy is in peril scraps of what looks like an intellectual autobiography are scattered over the pages of the narrative recalling the puzzles that gave rise to a number of writing projects in a way this is a book of paradoxes and antitheses janus like it faces toward the past and the future it offers generalized convictions and specific observations treats both the ordinary themes of life experience and tangled esoterica and presents both the experiences of an individual and an analysis of educational institutions as a whole the book invites readers to join the author in thinking about things

in the past decade analytic theology has established itself as a flourishing research program that includes academic journals monograph series a dedicated annual conference research centres on several continents and a growing and diverse body of work produced by scholars drawn from philosophy theology and biblical studies in this short monograph oliver crisp james arcadi and jordan wessling introduce readers to analytic theology the work provides an account of analytic theology some of the main

areas in which analytic theologians have worked and some of the prospects for the future of analytic theology going forward it also addresses some key objections to analytic theology as a theological method written by three leading researchers in the field this work is an excellent way for scholars and students to get acquainted with this new theological movement

concern about church growth and decline is widespread and contentious yet theological reflection on church growth is scarce reflecting on the bible dogmatic theology and church history this book situates the numerical growth of the church within wider christian theology leading international scholars including alister mcgrath benedicta ward and c kavin rowe contribute a spectrum of voices from evangelical charismatic liberal and anglo catholic perspectives all contributors unite around the importance of seeking church growth provided this is situated within a nuanced theological framework this book offers a critique of decline theology which has been influential amongst theologians and churches and which assumes church growth is impossible and or unnecessary the contributors provide rich resources from scripture doctrine and tradition to underpin action to promote church growth and to stimulate further theological reflection on the subject the archbishop of canterbury provides the foreword

a major study on the distinctiveness of pauls thought and its significance for christianity today
