do you ever wonder if god is pleased with your conduct at work have you ever felt embarrassed by your lack of faith when dealing with coworkers does your current leadership style line up with the word of god this book is a great read to gauge if your leadership is kingdom leadership it demonstrates how men and women of faith should engage in the marketplace there is nothing worse than meeting a sour christian you know the ones who are mean spirited bitter messy and unforgiving this is not the life god wants his people to live he wants his people to live a faith filled life that draws people to him this book was directly inspired by the spirit of god and it will challenge your core beliefs on how you engage in kingdom leadership

things happen and things happen at work some good some not so more often than not a situation at work emerges as a tangle of what people think and believe to be so animated by differing perspectives on what happened who or what caused it and what to do next a puzzle of sorts and like all puzzles tests your ingenuity and knowledge this tangle of circumstance is set against a familiar backdrop the real organization a web of employment rules a need for information can be characterized as a conflict of sorts necessitating a measure of negotiation and of course requiring a series of informed decisions so let s figure out how to make wise choices when things happen at work

people circumstances and what to do now is a compendium a collection of concise but detailed information about the interrelated conditions in which work and workplaces exist and events occur conflict the inevitable result of people associating with one another negotiation to reconcile that conflict our primary inter personal decision making process and finally best practices to manage workplace incidents that invariably arise a practical balance between theory and practice when things happen at work is a comprehensive guide on key employment matters a mix of personal experience pragmatism and theory makes when things happen at work an essential resource for managers human resource practitioners and those responsible for inquiring into and or investigating matters at work

how to actually work when you re working from home effective solutions for common remote work struggles written by cambridge review publishing about this book this book has been crafted by integrating the insights and expertise of numerous renowned international specialists in the field rather than relying on a single or average source it draws from a rich combination of premium authoritative perspectives ensuring that readers gain access to the highest quality knowledge available content introduction to working from home setting boundaries for work and personal life creating a dedicated workspace establishing a schedule quitting at quitting time setting boundaries with family and pets celebrating wins and reflecting on your day managing distractions at home balancing personal and professional life overcoming loneliness and isolation staying healthy and active at home setting realistic expectations and avoiding perfectionism optimizing technology for remote work managing time zones and global teams creating a productive mindset for remote work

the purpose of this book is to explain first what happens when we become too involved in our work and second how we avoid being controlled by our work and how we prevent

family members friends colleagues or employees from being so in addition it is hoped that the book will help bring about a debate about our work habits and initiate thought and discussion about our values and how much space work should be allowed to take up in our lives the book is addressed to everyone who deals with the psychological working environment among them business managers and counsellors who treat people with work related problems in addition anyone who wishes to establish a better balance between their work life and private life would benefit from reading the book

based on seven years of research this lively handbook examines innovative theories of motivation and new styles of leadership for a generation disenchanted with standard hierarchical roles

this volume comprises the papers and debates of the second france ilo symposium on the future of work employment and social protection reflecting the aim of the symposium itself the book provides in depth reflections on work employment and social protection designed to be more than an account of the discussions this book is a useful tool for all those interested in labour market transition and the increasing importance of female labour for the future of the labour markets particularly in the developed world the book discusses the need for more family friendly policies and a more radical policy of equality between the sexes the legal dimensions of labour market change are also debated and the book explores the positive and negative sides of globalization and its links with technological change
