Mesillat Yesharim is a classic of Jewish ethical literature written by one of the leading kabbalists of the late middle ages. It is also a window into the kabbalist's understanding of the connection between ethics and mystical vision. Luzzatto, one of the great Hebrew stylists of his time, is acknowledged by some as the first writer of modern Hebrew. Thus, Mesillat Yesharim is also important for its place in Hebrew literature. This translation, published originally in 1936 by JPS, is a landmark in Jewish publishing; it made this Hebrew text finally available to English readers and gave us insights into the groundbreaking work that Kaplan did in orienting American Jews to the deep connection between ethical living and religious belief. It is no wonder that this book has become the centerpiece of the modern-day Mussar movement, which inspires so many on their spiritual path. Rabbi Ira Stone, consummate teacher and stirring speaker, is a major force in the resurgence of the Mussar movement. In his introduction, he presents Luzzatto and Mesillat Yesharim in their historical context and gives us new insights into Kaplan's emerging theology. Stone also explains the principles of reading that he uses in his commentary and teaching to make this medieval text so inspiring to readers today. This volume contains the original Kaplan translation as well as those sections of the text that Kaplan omitted along with Stone's new commentary. The original Hebrew text is in the back of the book.

An important and powerful work that speaks to Mordecai M. Kaplan's position as perhaps the most significant Jewish thinker of the twentieth century. Deborah Dash Moore, coeditor of *Gender and Jewish History*, Mordecai M. Kaplan founder of the Jewish Reconstructionist Movement, is the only rabbi to have been excommunicated by the Orthodox rabbinical establishment in America. Kaplan was indeed a radical, rejecting such fundamental Jewish beliefs as the concept of the Chosen People and a supernatural God. Although he valued the Jewish community and was a committed Zionist, his primary concern was the spiritual fulfillment of the individual. Drawing on Kaplan's 27-volume diary, Mel Scult describes the development of Kaplan's radical theology in dialogue with the thinkers and writers who mattered to him most, from Spinoza to Emerson and from Ahad Ha'am and Matthew Arnold to Felix Adler, John Dewey, and Abraham Joshua Heschel. This gracefully argued book, with its sensitive insights into the beliefs of a revolutionary Jewish thinker, makes a powerful contribution to modern Judaism and to contemporary American religious thought. An interesting, stimulating, and well-done analysis of Kaplan's life and thought. All students of contemporary Jewish life will benefit from reading this excellent study. Jewish Media Review: The book is highly readable at times almost colloquial in its language and style and is recommended for anybody with a familiarity with Kaplan but who wants to understand his thought within a broader context. *OJL Reviews*
