the formation of priests means following a singular journey of discipleship which begins at baptism is perfected through the other sacraments of christian initiation comes to be appreciated as the centre of one s life at the beginning of seminary formation and continues through the whole of life this ratio fundamentalis emphasises that formation both initial and ongoing must be seen through a unifying lens which takes account of the four dimensions of formation proposed by *pastores dabo vobis* together these dimensions give shape and structure to the identity of the seminarian and the priest and make him capable of that gift of self to the church which is the essence of pastoral charity

the journey of priestly formation beginning with the seminary years is described in the present ratio fundamentalis in terms of four characteristic elements of formation understood as one integral grounded in community and missionary in spirit

catholic pamphlet
