this book contains twenty two individual scripture studies each study focuses on one general area of study these studies enable individuals to do in depth topical studies of the bible they are also invaluable to the bible study teacher preparing lessons for sunday school or a home bible study they can be used for group studies as well the range of topics covered in the different studies is broad from what the bible teaches about itself to what the bible teaches about divorce and remarriage included in each study are hundreds of scripture references so there will be no lack of material from which to begin your studies so if you re an individual looking for an aid to improve for your own personal bible studies or a bible study teacher or home group leader looking for help in preparing lessons this book will be of great benefit the sources for the viewpoints promoted in these scripture studies are wide and varied the ideas are taken from commentaries study bibles theology books books of various kinds and most importantly this writer s own personal study of the scriptures the sources for the opposing views presented are publications of groups that promote the ideas and personal conversations this writer has had with members of such groups and adherents to the views every effort has been made to ensure the accuracy of the scripture references in these studies but with the thousands of references presented it is likely that a few typos have crept in if the reader comes across a reference that does not make sense in the context presented just go onto the next one there are always plenty of verses listed for each point it is my hope and prayer that god uses these scripture studies to help the reader to grow in the grace and knowledge of our lord and savior jesus christ to him be the glory both now and forever amen 2 peter 3 18

now with updated full color maps the bible workbooks are a systematic individual study of the bible the student learns by doing information is given and questions are asked to test their understanding bible workbook volume 2 gives an overview and a book by book study of the new testament interesting stimulating informative bible workbooks provide an understandable and enjoyable means of personal bible study

biblical studies when a bible student or seminarian begins to lay the basic foundations of the old and new testament one of the first assignments is to provide a book by book summary of each biblical book this is a basic exercise but like every good foundation it s one that can t be skipped an understanding of the larger contexts and contents of each biblical book not only aids in understanding of individual passages but also reinforces our understanding of all of scripture personal notes this workbook is designed for you to work through each of the books of the bible and produce your own personal book summaries you have the chance to reflect on authorship theological themes as well as provide a basic outline of each book of the bible as you work through the bible you ll be able to trace similar theological themes and whole bible connections

simple workbook what you'll find within this book is a simple template that will allow you to work through each of the books of the bible in a way that deepens your understanding also as you fill up this book you will grow in your understanding of each book of the bible and the larger message of the bible as a whole additional resources in the back of this book i've included two appendices the first provides my recommended commentaries on each book of the bible the second provides my recommended books with regards to old testament introductions new testament introductions biblical theology and hermeneutics this is a really simple workbook and it's one that will require you to put in a lot of work but the outcome will be a deeper understanding of god specific books of the bible and the whole bible size 7 x10 pages 162 category theology biblical studies bible workbook
