providing a clear framework this volume helps school leaders align assessment and reporting practices with standards based education and develop more detailed reports of children s learning and progress

this book looks at readiness from a different perspective arguing that we must move away from the readiness as child characteristic so prevalent in education and the popular press instead readiness is explained as an idea constructed by parents teachers and children as they interact in their neighborhoods and communities graue describes three communities in the same school district a middle class suburban town of professionals a rural working class community and a group of hispanic working class families making their way through their children s kindergarten experiences in each setting the local meaning of readiness is the underlying theme in the actions taken by parents and their attitudes about their children s first public school experience

multifaceted assessment in early childhood is ideal for those on upper division undergraduate courses and first level graduate courses in early childhood education assessment the book covers the various measures used in a range of assessment dimensions and includes valuable information regarding young children with special needs and english language learners which has rarely been touched upon

in other textbooks the chapters are focused on student accessibility and include practical applications of key concepts features and benefits covers a range of assessment concepts including formative uses feedback from learning to adapt teaching summative i e tests quizzes authentic focuses on complex deeper tasks standardized star sat includes coverage of assessment for english language learners and children with special needs topics that are not provided enough coverage in other books including wortham mcafee puckett and mindes wright s writing style grabs and engages the reader in the topic two of our reviewers who use wortham specifically cited wright s writing style as a reason they would adopt our book a mcafee reviewer is likely to switch for the same reason

the contributors tell their own stories presenting and describing some of the authentic assessment and reporting strategies they have devised and are using in their classrooms narratives developmental continuums and indicators of progress are all explored strategies focus on home and school collaboration student self assessment the technology for developing report forms and more throughout the book abundant examples and samples of student work show ways to bring curriculum outcomes and progress reports together

what to look for in kindergarten programmes and how to know when you see it
