an underground sensation secret and suppressed confronts the reader with disquieting revelations on mind control secret societies media disinformation cults and elite cabals

the unprecedented growth of hate movements on both sides of the atlantic is thoroughly explored in this groundbreaking collection of original essays

narratives based on conspiratorial and paranoid thinking have become increasingly prominent throughout the 20th and 21st centuries from the prosaic to the outlandish conspiracy theories involve aliens and nazis underground bases and mind control technology they range from sinister tales of malevolent reptilian beings infiltrating our government to fears of the new world order rounding up patriotic americans and putting them into internment camps these stories and their underlying concerns have a long history in the u s and have often been bolstered by revelations of real conspiracies and cover ups by private and public entities this book examines conspiracy theories and the narratives constructed by those who believe and propagate them providing a unique view of u s history and highlighting fears both founded and unfounded

the groundbreaking first edition of secret and suppressed influenced many in the conspiratorial 90s including chris carter and his x files now comes the second edition presenting a new set of revelations rants visions and nightmares that illuminate the paranoid and nightmarish post 9 11 world

the groundbreaking and now out of print first edition of secret and suppressed influenced many in the conspiratorial 90s including chris carter and his x files movie and television series secret and suppressed ii brought out in time for the presidential election presents a new set of revelations rants visions and nightmares that illuminate the paranoid and nightmarish post 9 11 planet

american society has changed dramatically since a culture of conspiracy was first published in 2001 in this revised and

expanded edition michael barkun delves deeper into america s conspiracy sub culture exploring the rise of 9 11 conspiracy theories the birther controversy surrounding barack obama s american citizenship and how the conspiracy landscape has changed with the rise of the internet and other new media what do ufo believers christian millennialists and right wing conspiracy theorists have in common according to michael barkun in this fascinating yet disturbing book quite a lot it is well known that some americans are obsessed with conspiracies the kennedy assassination the oklahoma city bombing and the 2001 terrorist attacks have all generated elaborate stories of hidden plots what is far less known is the extent to which conspiracist worldviews have recently become linked in strange and unpredictable ways with other fringe notions such as a belief in ufos nostradamus and the illuminati unraveling the extraordinary genealogies and permutations of these increasingly widespread ideas barkun shows how this web of urban legends has spread among subcultures on the internet and through mass media how a new style of conspiracy thinking has recently arisen and how this phenomenon relates to larger changes in american culture this book written by a leading expert on the subject is the most comprehensive and authoritative examination of contemporary american conspiracism to date barkun discusses a range of material involving inner earth caves government black helicopters alien abductions secret new world order cabals and much more that few realize exists in our culture looking closely at the manifestations of these ideas in a wide range of literature and source material from religious and political literature to new age and ufo publications to popular culture phenomena such as the x files and to websites radio programs and more barkun finds that america is in the throes of an unrivaled period of millenarian activity his book underscores the importance of understanding why this phenomenon is now spreading into more mainstream segments of american culture

transhumanism is a recent movement that extols man s right to shape his own evolution by maximizing the use of scientific technologies to enhance human physical and intellectual potential while the name is new the idea has long been a popular theme of science fiction featured in such films as 2001 a space odyssey blade runner the terminator series and more

recently the matrix limitless her and transcendence however as its adherents hint at in their own publications transhumanism is an occult project rooted in rosicrucianism and freemasonry and derived from the kabbalah which asserts that humanity is evolving intellectually towards a point in time when man will become god modeled on the medieval legend of the golem and frankenstein they believe man will be able to create life itself in the form of living machines or artificial intelligence spearheaded by the cybernetics group the project resulted in both the development of the modern computer and mk ultra the cia's mind control program mk ultra promoted the mind expanding potential of psychedelic drugs to shape the counterculture of the 1960s based on the notion that the shamans of ancient times used psychoactive substances equated with the apple of the tree of knowledge and as revealed in the movie lucy through the use of smart drugs and what transhumanists call mind uploading man will be able to merge with the internet which is envisioned as the end point of kabbalistic evolution the formation of a collective consciousness or global brain that awaited moment is what ray kurzweil a director of engineering at google refers to as the singularity by accumulating the total of human knowledge and providing access to every aspect of human activity the internet will supposedly achieve omniscience becoming the god of occultism or the masonic all seeing eye of the reverse side of the american dollar bill

in the violent world of radical extremists the enemy of my enemy is my friend this study reveals how that precept plays out in the unexpected bonding between militant islam and the extreme right in america and europe it provides an insightful and sane look at the possibilities for collaboration between these groups

following the national and international upheaval and tragedy in 1968 mexican trash cinema began to shift away from the masked wester genre and towards darker more explicit films and disturbing visions of the modern world films which can be called avant exploitation this work covers six of those films el topo mansion of madness alucarda guyana crime of the century birds of prey and santa sangre

here are 50 witty extravagantly sourced and take no prisoners style reasons why americans need to take back america from the corrupt menace currently occupying the white house written by konformist com s webmaster robert sterling with contributions both visual and textual from russ kick sam smith greg palast and robbie conal

the first comprehensive history of conspiracies and conspiracy theories in the united states a reference guide to conspiracy theory presents over 300 entries describing events and theories analyzing the historical intellectual and political context of each and offering evidence to support or refute each one

revelations of the apocalyptic mind written by the author of the cult classic apocalypse culture this new work explores the arcane but significant phenomena of contemporary american cults from survivalists and white supremacists to ufo cultists satanists and the most far flung new agers certain to attract enormous attention this is a truly startling tour of the american cult fringe its leaders beliefs fears significance and the fascination it holds in contemporary imagination
