traditional literature or the deed of the reed pen as it was called by its creators is not only the most valuable part of the cultural heritage of the malay people but also a shared legacy of malaysia indonesia singapore and brunei malay culture during its heyday saw the entire universe as a piece of literature written by the creator with the sublime pen on the guarded tablet literature was not just the creation of a scribe but a scribe himself imprinting words on the sheet of memory and thus shaping human personality this book the first comprehensive survey of traditional malay literature in english since 1939 embraces more than a millennium of malay letters from the vague data of the seventh century up to the early beginnings of the modern literatures in the late

nineteenth century the long path trodden by traditional malay literature is viewed in historical and theoretical perspectives as a development of integral system caused by cultural and religious changes primarily by gradual islamization this changing system considered in the entirety of its genres and works is seen both externally and internally from the point of view of modern scholarship and through the examination of indigenous concepts of literary creativity poetics and aesthetics the book not only represents an original study based on a specific historico theoretical approach but it is also a complete reference work and an indispensable manual for students
