art and the religious image in el greco's Italy is the first book length examination of the early career of one of the early modern period's most notoriously misunderstood figures born around 1541 doménikos theotokópoulos began his career as an icon painter on the island of crete he is best known under the name el greco for the works he created while in Spain paintings that have provoked both rapt admiration and scornful disapproval since his death in 1614 but the nearly ten years he spent in Venice and Rome from 1567 to 1576 have remained underexplored until now andrew casper's examination of this period allows us to gain a proper understanding of el greco's entire career and reveals much about the tumultuous environment for religious painting after the council of trent art and the religious image in el greco's Italy is a new book in the art history publication initiative ahpi a collaborative grant from the Andrew W Mellon Foundation thanks to the ahpi grant this book will be available in popular e book formats

this book offers a re-examination of foreign policy in its relation with domestic politics and international relations by bringing together a vast body of literature from IR foreign policy analysis comparative politics and public policy this book systematically reconceptualises foreign policy as a dialectic produced by the interplay of context strategy and discourse it argues that foreign policy defies easy understandings and necessitates a complex framework of analysis introducing the strategic relational model as conceptualised in critical realism for the first time to the field of foreign policy analysis combining a comprehensive investigation of the last century of Italian foreign policy with an exploration of a key theoretical issue within the field of foreign policy analysis and IR this book analyses key episodes within Italian foreign policy including Italy's cold war alliance politics colonial

interventions fascist foreign policy and Italy's participation in the wars of Kosovo, Iraq, and Afghanistan. It provides a comprehensive and up-to-date account of the long-term historical trajectory of Italian foreign policy from the liberal age to the second republic, including all four governments of Silvio Berlusconi. Foreign policy, domestic politics, and international relations will be of interest to students and scholars of international relations, foreign policy analysis, and Italian politics.
