how does the council of europe put into practice its commitment to the promotion of a culture

of democracy through education over the past decade or so our societies have been facing increasing difficulties in reconciling acceptance of diversity and social inclusion with the need for community the search for simple solutions to complex problems the fact that fake news and alternative facts are no longer seen as nonsensical expressions our responses to migration and the refugee crisis and the growth of populism in many parts of europe present challenges to our societies and not least to education authors from europe north america and south africa outline how higher education could respond to these challenges the first section makes a strong case for the continuing importance of higher education and research to modern society the second focuses on higher education institutions and the need for inclusive and diverse campuses the third section considers opportunities to improve the inclusion of refugees and immigrants in higher education whereas the focus in europe is mostly on refugees in the united states it is largely on immigrants further accentuated by the debate on the dreamers

promoting a scholarly understanding of the psychology of social and cultural diversity in the early stages of 21st century this volume encourages an in depth appreciation of the value in diversity while directly addressing social intervention and policy implications offers for the very first time an integrated approach to the issues raised by increasingly complex representations of social identity explores the psychological implications and applications of new forms of social and cultural diversity includes research from a diverse range of scholars that covers a broad spectrum of sub disciplines discusses how the applications of multiculturalism and diversity research can encourage more positive intergroup relations develops an in depth understanding and appreciation of the value of social and cultural diversity

winner of the 2016 nyasa book award presented by the new york african studies association when students are introduced to the study of diversity and social justice it is usually from sociological and psychological perspectives the scholars and activists featured in this anthology reject this approach as too limiting insisting that we adopt a view that is both transdisciplinary and multiperspectival their essays focus on the components of diversity social justice and inclusive excellence not just within the united states but in other parts of the world they examine diversity in the contexts of culture race class gender learned ability and dis ability religion sexual orientation and citizenship and explore how these concepts and identities interrelate the result is a book that will provide readers with a

better theoretical understanding of diversity studies and will enable them to see and think critically about oppression and how systems of oppression may be challenged

from the publisher teaching for diversity and social justice is a much needed resource that addresses the need to facilitate communication and understanding between members of diverse social groups it provides a unified framework by which students can engage and critically analyze several forms of social oppression including racism sexism classism antisemitism heterosexism and ableism this sourcebook uses an integrated approach to oppression and social justice to bring together theory and practice through extended illustrative samples of classroom and workshop activities

this book offers educational and psychological perspectives to inform practice and increase options in addressing conflict situations the first part of the book helps the educator understand the reasons for resistance and ways to prevent it the second part explains how educators motivate dominant groups to support social justice this book is an excellent resource for group facilitators counselors trainers in classrooms and workshops professors teachers higher education personnel community educators and other professionals involved with educating others about diversity and equity

for nearly a decade teaching for diversity and social justice has been the definitive

sourcebook of theoretical foundations and curricular frameworks for social justice teaching practice this thoroughly revised third edition continues to provide teachers and facilitators with an accessible pedagogical approach to issues of oppression in classrooms building on the groundswell of interest in social justice education the third edition offers coverage of current issues and controversies while preserving the hands on format and inclusive content of the original teaching for diversity and social justice presents a well constructed foundation for engaging the complex and often daunting problems of discrimination and inequality in american society provided by publisher

this is an accessible guide to diversity issues in health and social care it considers the concept of diversity and how people differ provides a model for understanding discrimination and discusses cross cultural communication including the impact and use of language practice vignettes and exercises for the reader are included throughout

it is difficult to ignore the fact that even as the united states becomes much more racially and ethnically diverse our neighborhoods remain largely segregated the 1968 fair housing act and 1977 community reinvestment act promised to end discrimination yet for millions of americans housing options remain far removed from the american dream why do most neighborhoods in american cities continue to be racially divided the problem suggests mara sidney lies with the policies themselves she contends that to understand why discrimination persists we need to understand the political challenges faced by advocacy groups who implement them in unfair housing she offers a new explanation for the persistent color lines in our cities by showing how weak national policy has silenced and splintered grassroots activists sidney explains how political compromise among national lawmakers with divergent interests resulted in housing legislation that influenced how community activists defined discrimination what actions they took and which political relationships they cultivated as a result local governments became less likely to include housing discrimination on their agendas existing laws went unenforced and racial segregation continued a former undercover investigator for a fair housing advocacy group sidney takes readers into the neighborhoods of minneapolis and denver to show how federal housing policy actually works she examines how these laws played out in these cities and reveals how they eroded activists capability to force more sweeping reform in housing policy sidney also shows how activist groups can cultivate community resources to overcome these difficulties looking across levels of government to analyze how national policies

interact with local politics in the first book to apply policy design theories of anne schneider and helen ingram to an empirical case sidney illuminates overlooked impacts of fair housing and community reinvestment policies and extends their theories to the study of local politics and nonprofit organizations sidney argues forcefully that understanding the link between national policy and local groups sheds light on our failure to reduce discrimination and segregation as battles over fair housing continue her book helps us understand the shape of the battlefield and the prospects for victory
