the apocalypse countdown to armageddon the end of days decoded

in the tradition of the old ace doubles two in one books flip one over to read the second title here is the second wildside double countdown to armageddon by edward m lerner hezbollah has obtained an atomic bomb and a would be martyr eager to deliver it and that s the good news the bad news unknown even to hezbollah is that their physicist has also found a way to take his new bomb back to a turning point in european history harry bowen an american physicist and terrence ambling a british agent turned historian are determined to stop abdul faisel and prevent the nullification of all western civilization their mission can be accomplished if at all only in the darkest of the dark ages and there too time is running out a stranger in paradise by edward m lerner collects five of the bestselling author s science fiction stories the night of the rfids two kinds of people better the devil you know small business and a stranger in paradise

it s been just shy of seven years since the first wave of electromagnetic pulses bombarded the earth and began the turmoil most people couldn t cope for they no longer had the skills their ancestors had no one grew their own crops anymore few knew how to hunt and fish and trap small game they lived off boxed food and canned goods and they died in great numbers some though survived they weren t tougher than the others necessarily they were better planners they were the ones who were willing to learn new things by the time the canned goods and boxed pasta were gone the planners already had their grow spaces established and thriving they were raising livestock instead of butchering it on the spot and they were working hard to protect what they had from others who d take it from them the group of people in scott harter s south texas compound was such a group they suffered like everyone else but they also persevered this is the final chapter in their story it takes place five years after we last saw them and tells the tail of a recovering world and a group of friends and family who ve defied the odds and thrived

tells the story of the nation of islam its rise in northern inner city ghettos during the great depression through its decline following the death of elijah muhammad in 1975 to its rejuvenation under the leadership of louis farrakhan page 4 of cover

apocalyptic expectations of armageddon and a new age have been a fixture of the american cultural landscape for centuries with the approach of the year 2000 such millennial visions seem once again to be increasing in popularity stephen o leary sheds new light on the age old phenomenon of the end of the age by proposing a rhetorical explanation for the appeal of millennialism using examples of apocalyptic argument from ancient to modern times o leary identifies the recurring patterns in apocalyptic texts and movements and shows how and why the christian apocalypse has been used to support a variety of political stances and programs the book concludes with a critical review of the recent appearances of doomsday scenarios in our politics and culture and a meditation on the significance of the apocalypse in the nuclear age arguing the apocalypse is the most thorough examination of its subject to date a study of a neglected chapter of our religious and cultural history a guide to the politics of armageddon and a map of millennial consciousness

volume 1 of stalking the antichrists and their false nuclear prophets nuclear gladiators and spirit warriors 1940 1965 is essentially an enhanced memoir it is based for the most part on my personal observations and knowledge and specialized information from my academic studies of history political science and literature at grove city college and the university of chicago as well as my professional insights into the heart of the u s navy 1953 1957 1960 1961 op 09d as an air intelligence officer in hawaii and japan and the pentagon political military counsellor assignments in the state department as a foreign service officer fso 6 at the american embassy in paris 1962 64 and a speechwriter in the navy department 1965 in volume 2 the textual narrative begins with the end of my specific actions activities in the navy and foreign service in july 1965 which i have called how i lived in history 1950 1965 in retrospect my entire navy career from my commissioning as ensign usnr 1355 aio in early september 1953 at naval station newport rhode island to my first honorable discharge at treasure island on august 27 1957 was in preparation to an understanding of world war ii and the cold war

scott harter discovered what the mayans really meant about the world ending on december 21 2012 the day marked the beginning of a period that would see the end of civilization as we know it scott

understood that big changes were coming but he didn't know if he had two days to prepare or two years to protect his family he threw every resource he had plus some resources he didn't have into preparing for the end
