p b j whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about british and american proverbs than he the present volume based upon writings in british north america from the earliest settlements to approximately 1820 complements his and archer taylor s dictionary of american proverbs and proverbial phrases 1820 1880 it differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political

pamphlets and the like the authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters mr whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies this body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that whiting has brought together according to albert b friedman what makes the work important is whiting s authority a proverb or proverbial phrase is what bjw thinks is a proverb or proverbial phrase there is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious

there is no time for the people of the world to waste to decide to change their ways and their ways of living the world is in a crisis that it has not been in before actually the world has been in countless crises in the past before disaster calamity or catastrophe struck the people of the earth we are not talking of crises of natural disasters calamities or catastrophes that have hit the earth we are talking about man made man engineered and man designed disasters calamities and catastrophes that have hit the world from time to time history is full of them and apart from those natural disasters caused by god or the devil themselves the rest were caused by man themselves now this revelation is not about the natural but about the spiritual power mad dictators rulers and potentates the world over are normally the cause of these disasters calamities and catastrophes and nature has little to do with them although they did affect nature in some way or another small and great wars were started by whosoever caused them without any due regard of mens lives and the resultant horrors hardships and horrendous pain lived on in the hearts and lives of the people that survived no one can add these things up nor can they count the cost in human suffering misery and pain nor the cost of mens souls lost all for the sake of mans vanity the current synopsis is catchy and intriguing this synopsis is well written and it will entice readers into picking this book up and reading it cynthia sherman writers literary publishing services critique division

a huge portion of the earth s population has just disappeared most of them seem to have been taken from churches christian churches they were not taken from islamic mosques they were not taken from buddhist shrines they were not taken from jewish synagogues they were christians nobody but christians were taken they told you this would happen they called it the rapture and they said that after the rapture there would be a time of suffering and death such as the world has never seen this time of suffering and death has a name too it is called the great tribulation has this happened to you or are you afraid a friend or family member will find himself in this situation engulfed in the great tribulation this book along with a bible old and new testament will help you or your loved ones navigate through the most terrifying time in human history
