explores the different military responses to popular uprisings during the 2011 arab spring in egypt syria tunisia and libya

this is one of the first books in english to explore arab responses to western culture and values in modern arab literature through in depth research el enany examines the attitudes as expressed mainly through works of fiction written by arab authors during the twentieth and to a lesser extent nineteenth century it constitutes an original addition to the age old east west debate and is particularly relevant to the current discussion on islam and the west alongside raising highly topical questions about stereotypical ideas concerning arabs and muslims in general the book explores representations of the west by the foremost arab intellectuals over a two century period up to the present day and will appeal to those with an interest in islam the middle east nationalism and the so called clash of civilizations

this book explains why islamist parties have dominated the politics of egypt for the better part of fifty years analyzing islamist electoral performance and behavior before and after the 2011 revolution that unseated former dictator hosni mubarak this book argues that islamists win elections not because egyptians are fundamentalists but because these parties have more organizational resources to call on than their secular rivals

no longer simply a handbook for aramco employees this volume provides background information on islam the arab world and the oil industry

with appendices

this book covers past and present monarchies in the eastern hemisphere from egypt to vietnam

mubarak al sabah took control of his tiny state in 1896 just as the ottoman empire seemed on the point of swallowing it up he then played for time by manipulating the indecision and venality of the ottoman system at the same time he managed to kindle a hesitant british interest in kuwait doing so by deftly exploiting a rivalry among european powers that was fuelled by speculation over kuwait s strategic importance as the possible terminus of a railway conceived as the vital link in rapid communication

between europe and india
