but is he here for the right reasons she never thought she'd own a bar in the middle of nowhere montana but to aurora jones willing seemed like a perfect place to disappear that is until the producers came to film their marry off all the bachelors reality tv show and then jake hove long

lost brother of her friend's fiancé arrived. Jake's well known for his country and western band and ignites yet another round of excitement in a town already filled with single female tourists looking for love. Charismatic musicians are a dime a dozen and Aurora left that world behind long ago. Can she keep her secrets and resist this vulnerable new father who wants more than she can give?

But is he here for the right reasons?

Using the sense of humor that draws thousands of women a year to hear her speak, Kathi Lipp shows wives through simple daily action plans how they can bring the fun back into their relationship even amidst their busy schedules. From publisher description.

He won't trade in the tent for a white picket fence. Small town life has never held any charm for documentary filmmaker Sam Hove, but after a mishap in the Amazon during filming, Willing, Montana seems like the perfect place for a quiet recovery until he finds out that the town is hosting a reality dating show. And with a neighbor like Lucia, the idea of love and commitment are more dangerous than anything he's encountered in the wild. A widow with three kids, Lucia represents everything Sam has always avoided: responsibility, family stability. So why is he finding any excuse he can to be with her and the children? A life with Lucia couldn't possibly be the kind of adventure he's looking for, so he's got to get out before he gets hooked.

Boots, booties, riding, roping, and ranching are part of cowboy life. Diapers, pacifiers, and baby bottles are not. For Joe Brockett, the care of his orphaned nieces and nephew was complication enough in a rancher's life, especially with Christmas only days away. But when beautiful, delicate Sylvie Smith answered the wife wanted ad and brought along her two-month-old baby boy, Joe knew he was in over his head. Because his kids had conspired against him and decided he needed a wife for Christmas, and by the time he'd given in to his desires and made love to Sylvie, Joe suspected they were right. But he wasn't the marrying kind. The bestselling series is back by
