a unique handbook providing a set of good practice standards for both producers and consumers of halal food this accessible authoritative book covers all aspects of halal from its origins through to how we expect halal to develop in the coming years it explains what halal is where it came from how it is practiced and by whom in addition to putting halal in a religious and cultural context the book provides practical standards for those working in the halal

trade it explains why there are so many different interpretations of halal and why this needs to be resolved if international trade is to be developed each chapter in the halal food handbook is written by leading experts in their particular field of study the first one discusses how regulatory bodies have failed to stem the miss selling and adulteration of halal foods the next chapters cover the slaughter process and issues around good practice the book then looks at regulators covering sharia law uk national laws and the eu and outlines the legal framework for enforcing the law it also compares and contrasts different types of religious slaughter for faith foods examines attempts to set an international standard for trade and discusses pork adulteration in halal foods the final chapter covers other aspects of halal including cosmetics tourism lifestyle and banking and finishes with a look at what the future holds for halal written and edited by leading international experts in halal who are backed by the muslim council of britain presents a set of good practice standards for both producers and consumers of halal food covers the complexity of the political legal and practical dimensions of halal food production the halal food handbook will appeal to a wide audience including abattoirs manufacturers retailers regulators academics public bodies catering for muslims and the broader muslim community

according to traditional jewish and islamic law animals must be slaughtered by a single cut to the throat the practice of ritual slaughter has become controversial to the extent that it is interpreted as precluding animals from being stunned first this raises a number of important and related questions what are the limits of animal welfare what are the limits of the right to freedom of religion what is the best way to discuss this dilemma in a democratic society under the rule of law that also respects minorities in three essays the authors reflect upon these and other questions jan willem sap emphasises that the state must continue its dialogue with jews and muslims with the aim to improve animal welfare to the greatest possible extent carla zoethout argues that respect for animal welfare can serve as a legitimate aim to limit the right to freedom of religion and the practice of unstunned ritual slaughter gerhard van der schyff considers equality to be the central value in structuring the relationship between law and religion in the netherlands when it comes to decision making on ritual slaughter this book is aimed at students legal practitioners and researchers who are interested in an important and emotional issue of law and religion in europe

the santeria religion of cuba the way of the saints mixes west african yoruba culture with catholicism similar to haitian voodoo santeria has long practiced animal sacrifice in certain rites but when cuban immigrants brought those rituals to florida local authorities were suddenly confronted with a controversial situation that pitted the regulation of public health and morality against religious freedom after ernesto pichardo established a santeria church in hialeah in the 1980s the city of hialeah responded by passing ordinances banning ritual animal sacrifice although on the surface those ordinances seemed general in intent they were clearly aimed at pichardo s church when pichardo subsequently sued the city a federal court ruled in the latter s favor in effect privileging the regulation of public health and morality over the church s free exercise of its religion the u s supreme court heard pichardo s appeal in 1993 and unanimously decided that the city had overstepped its bounds in targeting this particular religious group however the court was sharply divided regarding

the basis of its decision three concurring opinions registered distinctly different views of the first amendment the limits of government regulation and the religious freedom of minorities in the end the nine justices collectively concluded that freedom of religious belief was absolute while the freedom to practice the tenets of any faith were subject to non discriminatory local regulations david o brien one of america s foremost scholars of the court now illuminates this controversy and its significance for law government and religion in america his lively account takes us behind the scenes at every stage of the litigation to reveal a riveting case with more twists and turns than a classic whodunit ranging with equal ease from primitive magic to municipal politics and to the most arcane points of constitutional law o brien weaves a compelling and instructive tale with a fascinating array of politicians lawyers jurists civil libertarians and animal rights advocates offering sharp insights into the key issues and personalities he highlights cultural clashes large and small while maintaining a balance for both the needs of government and the religious rights of individuals the santeria case reaffirmed that our laws must be generally applicable and neutral and may not discriminate against particular religions tracing the path to that conclusion animal sacrifice and religious freedom provides a provocative and learned account of one of the most unusual and contentious religious freedom cases in american history

until now books addressing halal issues have focused on helping muslim consumers decide what to eat and what to avoid among products currently on the market there was no resource that the food industry could refer to that provided the guidelines necessary to meet the halal requirements of muslim consumers in the united states and abroad handbook of halal food production answers this need by summarizing the fundamentals of halal food production serving as a valuable reference for food scientists food manufacturers and other food industry professionals this text delivers a wealth of information about halal food guidelines for food production domestic and international food markets and halal certification among chapters that cover production requirements for specific foods such as meat and poultry fish and seafood and dairy products there are other chapters that address global halal economy muslim demography and global halal trade and comparisons among kosher halal and vegetarian in addition the book presents halal food laws and regulations haccp and halal and general guidelines for halal food production for persons targeting the halal food market for the first time this book is particularly valuable providing understanding of how to properly select process and deliver foods in light of the increasing worldwide demand for halal food service branded packaged food and direct marketed items this volume is more than an expert academic resource it is a beneficial tool for developing new and promising revenue streams both editors are food scientists who have practical experience in halal food requirements and halal certification and the contributors are experts in the halal food industries

this volume presents a timely analysis of some of the current controversies relating to freedom for religion and freedom from religion that have dominated headlines worldwide the collection trains the lens closely on select issues and contexts to provide detailed snapshots of the ways in which freedom for and from religion are conceptualized protected neglected and negotiated in diverse situations and locations a broad range of issues including migration education the public space prisons and healthcare are discussed drawing examples from europe the us asia africa and south america including contributions

from leading experts in the field the book will be essential reading for researchers and policy makers interested in law and religion

this unique volume gives insight into the science of slaughter with in depth discussion of neural communication and the welfare aspects of pre slaughter handling and slaughter of livestock the concepts of conscious perception unconsciousness stunning slaughter and death are discussed to provide readers with an understanding of the different events that lead to the conversion of animals into carcasses and subsequently into meat this accessible work is an excellent resource for learning about welfare issues of different techniques as it includes historical aspects of religious and conventional slaughter with a focus on the developments around technologies it comprises the advent of mechanical slaughter in the form of poleaxes to present day use of sophisticated stunning equipment moreover the author covers key aspects of halal meat production and discusses the politics of religious slaughter with an emphasis on the increasing number of anti halal movements across europe america and others the slaughter of animals for consumption by people of faith is economically significant and has led to a race for market share by multinational retail enterprises however there are also ethical and political aspects of religious slaughter which have always divided opinion the topic of this book provides an important link to the disciplines of animal welfare research the meat industry and the food business scientists students as well as government agencies veterinarians and professionals in food processing and slaughter technology manufacturing will find this an important account simplified summaries and practical notes make this reference highly readable

today pluralism is increasingly the norm and can be seen as a permanent characteristic of modernity as seen in world events religion has not become irrelevant but more diverse giving rise to a complex web of religion and belief minorities together with intra plural majorities nations seek ways to implement the ideal of freedom of religion but as this book shows whether east or west in the global north or the south there is no simple formalism for accommodating religious diversity different faith communities have competing needs and demands for the same social space with tensions inevitably arising this book highlights responses from liberal democracies which enshrine secularism into their constitutions to other constitutions where religion and ethnic identity are enshrined to prioritise their ethno religious majority western and asian countries encounter different obstacles and challenges with analysis from 19 international scholars the book explores different obstacles and responses to accommodation of religious minorities in a range of jurisdictions in a globalised world it will be invaluable for comparative legal scholars for law and religion scholars researchers and students and decision makers e g governments non governmental organisations and for those who seek to better understand the challenges of our time

in general animals that are to be slaughtered should be stunned first an exception to this rule is made for jews and muslims they may slaughter animals in accordance with article 2 10 of the animals act without stunning the animals beforehand this paper therefore will answer the question is there a legal justification for the exemption granted to the dutch jews and muslims regarding the slaughter of animals without prior stunning and how is ritual slaughter regulated in countries where the jews and muslims are not exempted or where ritual slaughter is banned in order to the answer this question the arguments

for the exemptions have been investigated then the principles of freedom of religion equality and the separation of church and state were examined in more detail the research also entailed a comparative study among the netherlands the united states and other countries where ritual slaughter is banned in which it was investigated if the exceptional position of jews and muslims provided a form of discrimination against other religious people and secularists

traditional judaism injects sanctification into the ordinary habits of everyday life keeping kosher helps us pause and think about what we eat and how we eat it and elevates the act of eating what does it mean to keep kosher many may be familiar with the basics no bacon no shrimp no cheeseburgers but the jewish dietary laws go deeper than that and how to keep kosher explores the ins and outs why are some foods deemed kosher while others are not why can t you mix meat and dairy dishes how do you turn a nonkosher kitchen into a kosher one do you really need multiple sets of everything dishes pots pans and utensils how do you keep track of what s what whether you are thinking about adopting a kosher lifestyle or already have a kosher home and just want to understand what it is all about lisë stern s how to keep kosher is essential reading you will learn about the biblical and historical origins of keeping kosher the development of the kosher certification system specific food preparation requirements for shabbat passover and other holidays and how to actually set up a kosher kitchen in straightforward language drawing upon explanations from the torah and talmud along with interviews with rabbis academics and laypeople who keep kosher lisë explores all aspects of judaism s ancient dietary traditions as they are carried out in today s kitchen with its range of modern appliances dishwashers food processors and microwave ovens for the first time one book explains both conservative and orthodox perspectives on kashrut as well as opinions from other jewish affiliations when lisë was nine her parents decided to make the change transform their home to a kosher one as a core part of their evolving commitment to judaism because lisë experienced the transition as a child and keeps a kosher home today she is uniquely qualified to explain all aspects of this traditional practice setting up a kosher kitchen lays the foundation for implementing the tradition the proof is in the potato pudding as lisë notes the talmud says room can always be found in one s stomach for sweet things and the wealth of information is sweetened with more than forty recipes for shabbat dinners and lunches as well as holiday and festival celebrations traditional recipes include chicken soup with my mother s ethereal matzo balls sliced potato onion kugel and hamantashen new classics are chilled cucumber yogurt soup rosemary sweet potato kugel enchilada lasagna and chocolate flecked meringues stern s how to keep kosher is an inclusive user friendly handbook filled with answers to the fundamental who what where when why and how questions surrounding the jewish dietary laws making these laws both accessible and appealing

a guidebook to the most current trends in contemporary jewish art and design reinventing ritual provides an unprecedented look at the work and thought of contemporary artists as they respond to the needs and practices of traditional culture beautifully illustrated with new art from israel europe and the americas this publication features both traditional and avant garde sculpture textiles architecture metalwork and ceramics by forty leading artists author daniel belasco surveys current trends in jewish ritual art and the influences of feminism environmentalism multiculturalism and new media julie lasky provides a groundbreaking discussion of the role of recycling and social consciousness in contemporary jewish design danya ruttenberg a recently ordained

rabbi offers a lively perspective on the constantly evolving jewish impulse to concretize the encounter with the divine arnold m eisen writes an absorbing and personal commentary on the role of ritual in jewish life today and tamar rubin contributes an illustrated timeline covering key jewish cultural and historical events from 1994 to 2008 published in association with the jewish museum exhibition schedule the jewish museum new york september 13 2009 february 7 2010 contemporary jewish museum san francisco april 22 september 28 2010
