since a july night in 1881 when he was shot down at the age of 21 billy the kid has been a victim of the myths that surrounded and captured him this vivid interpretation of the kid s life and character will come as an exciting revelation to readers who may have been familiar only with the earlier fictionalized versions for here is real moving tragedy painted in broad brush strokes with the vivid hues of the stark american southwestern landscape never before has there been brought into true focus the lincoln county war which broke out in 1878 in the then territory of new mexico and which furnished the background and the period for the adventures of this extraordinary boy the literature concerning both the desperate cattle war and the singular young outlaw have necessarily been constructed around a thin framework of fact with its papier maché façade of myth and legend so persistent have been these legends that the true character of the kid seemed almost beyond reach indeed the

western poet arthur chapman once wrote that billy the kid must remain wholly the most unaccountable figure in frontier history frazier hunt 1885 1968 had the good fortune to have access to a great mass of fresh and unpublished source material which fully documents this thrilling history of the kid and his times it is a new and rather appealing boy who now comes to light an alert likeable yet tough youngster adored by the native mexicans no less for his fluency in spanish than for his kindness and consideration but no wanton killer in place of the former distorted figure of legend a young man of flesh and blood and heart emerges into clear perspective so at last we have the real billy the kid authentic true and completely accountable

in recent decades universal reconciliation ur has sharpened its attack on evangelical faith by their fiction and nonfiction and by film the shack universalists such as paul young brian mclaren rob bell and others are propagating the idea that the love of god trumps all other attributes of god including his holiness and justice from this starting point universalists believe that all people are born as children of god that all are going to heaven that all must embrace god s love those who reject god in this life will repent after death and escape hell even the devil and his angels will repent from hell and go to heaven universalism is an old idea christians have confronted ur since the third century and refuted it as heresy heresy because ur believes that faith in jesus is unnecessary thus the death of jesus christ as an atonement for sin becomes unnecessary through his acquaintance with paul young de young is increasingly concerned that young and other universalists are misleading many in this book de young challenges all the arguments that universalists make their appeals to the bible to logic and reason and to church history and shows that they are unconvincing

wm paul young the shack cross roads eve and lies we believe about god has captivated millions of readers worldwide with his poignant and challenging conceptions about god however no work has been written designed as a comprehensive guide for young s beliefs love in the key of 3 is the first book to answer this need as well as the first academic work written about young s theology with rigorous research and approachable prose designed to intrigue both academics and laypersons alike andrew christian nelson invites you to explore the wondrous world of young s imagination and consider the critical ideas existent in his theology
