how the pastor reads a situation theologically will define the possibilities for ministry now and for the church's future the pastor's theological lens affects every ministry task this book introduces students to the importance of theological reflection it tells them why theological reflection is crucial to who they are and what they do and it shows them how they can acquire and strengthen their capacity for theological attentiveness central to wood and blue's approach is the conviction that pastoral character and pastoral practice are mutually formative also through the practice of ministry the pastor's identity is both continually discovered and continually worked on and worked out all pastors must integrate who they believe themselves to be and who they believe god is to be effective leaders

thinking theologically is not just a cerebral matter thinking theologically invokes an embodied set of practices and values that shape individuals and communities alike thinking theologically demands both intellect and emotion logic and compassion mind and body in fact this book will contend that these binaries are actually integrated wholes not mutually exclusive options in a collection of brief readable essays this edited volume as part of the foundations for learning series emphasizes the vital skills practice and values involved in thinking theologically

decades of use and refinement have solidified the place of how to think theologically as the indispensable guide to helping students of theology realize their call to be theologians by focusing not on thinkers or thoughts but on thinking stone and duke induct readers into those habits of mind that lead to understanding all things social cultural and personal in relation to god the new edition includes expansions of existing chapters an annotated bibliography of recommended reading an appendix of theological labels an expanded glossary key points highlighted in call outs throughout updated case studies discussion questions both experienced teachers and beginning students will benefit from stone and duke's latest revision of their classic text

thinking theologically traces aquinas's subtle grammatical and thematic engagements with the doctrine of the divine ideas throughout the *summa theologiae* this study offers

new insights into the contributions of aquinas's doctrine to debates about eschatology christology providence natural law virtue and creation's participation in the trinitarian life of god it argues that aquinas adapts the doctrine to support his pedagogical goal of guiding readers from the confession of faith to the wisdom of sacra doctrina in turn this demonstrates that aquinas's reading of the divine ideas reinforces his understanding of the dynamic exchange between philosophical reasoning and theological inquiry

starting right thinking theologically about youth ministry is the first academic textbook that introduces youth ministry students whether undergraduate or graduate level to a marriage of solid research real life and accessible design whereas most college level texts may reflect a thorough though impenetrable mastery of the field they tend to expect readers to plow through unnecessarily thick prose and bland design because it's good for them youth specialties doesn't agree in this debut title to a continuing academic book line college and seminary students will be introduced to real life research real life youth ministry dilemmas and real life solutions contributing writers represent a spectrum of christian education thought and practice as well as widespread recognition in their field transdenominational yet the perfect background to ministry in any denomination or ministry organization this text includes thorough indexes design and graphics that compel readers from page to page now that's a first for a college text organization that permits professors to use any part of the text in any order rather than plod through the entire book from beginning to end a perfect primary text that gives students a rich academic and readable though not popular grasp of every aspect of youth ministry a typical intro course touches while also serving as an ideal secondary text

thinking theologically explores the difference between mystical eastern and juridical western christianity the authors summarize it this way the authentic patristic theologizing of the orthodox church is not an intellectual enterprise but the struggle for the acquisition of the holy spirit as the holy new testament prophet st seraphim of sarov reminds us this acquisition of the holy spirit leads to union with god in christ theosis thus orthodox theologians have been neither academicians nor lawyers but mystics though in an orthodox christian understanding of the word in the west theology has been primarily a dialectical exercise while in the east it has been perceived primarily as an ontological process an existential experience that is the theology must be shaped by a living encounter an actual experiencing in contemplative prayer theoria of the object of the theologizing

christians can often overlook the need to bring their daily vocations in accord with the

reality created sustained and purposed through christ this is no less true for language teachers who find themselves at a difficult interdisciplinary crossroads where the paths of linguistics culture and education merge this challenge should not discourage these educators but instead aid them in their journey to form a pedagogy rooted in theological truths from scripture one that provides a nuanced approach that glorifies god in a manner specific to the language classroom the contributors of this book outline why and how theology must inform teaching methods so that christian language educators might better serve their students with both faith and excellence thereby pointing them to the communicative god whose image they bear
