while the prophet was returning from his last piligrimage to medina he received this revelation from allah at a place called ghadir khumm commading the prophet to read it to the people o prophet proclaim what has been revealed to you from your lord for if you do it not you have not conveyed his message and allah will protect you from the evil designs of people surat al maida chapter 5 v 67 then the prophet told his people the reason for this verse is to proclaim ali as the chaliphate after him immediately following the passing of the prophet saw his two sahabat and their fathers in law turned against ali the home of fatima daughter of the prophet was burned down by the sahabat

despite several narrations from the prophet about fatima one of which is who ever upset fatima upset me and who ever upset me upset allah this book gives you summarized ahadiths from sunnis and shias determining the caliphate it shows why the caliphate belongs to ali and hid his descendant using sunni ahadiths to prove so this book differentiates between the beliefs of the shias and the sunnis and uses verses from the holy quran and from several ahadith books

commemorating the battle of karbala in which the prophet mohammad s grandson hosayn and seventy two of his family members and supporters were martyred in 680 ce is the central religious observance of shi i islam though much has been written about the rituals that reenact and venerate karbala until now no one has studied women s participation in these observances this collection of original essays by a multidisciplinary team of scholars analyzes the diverse roles that women have played in the karbala rituals as well as the varied ways in which gender coded symbols have been used within religious and political discourses the contributors to this volume consider women as participants in and observers of the karbala rituals in iran iraq lebanon india pakistan and the united states they find that women s experiences in the shi i rituals vary considerably from one community to another based on regional customs personal preferences religious interpretations popular culture and socioeconomic background the authors also examine the gender symbolism within the rituals showing how it reinforces distinctions between the genders while it also highlights the centrality of women to the symbolic repertory of shi ism overall the authors conclude that while shi i rituals and symbols have in some ways been used to restrict women s social roles in other ways they have served to provide women with a sense of independence and empowerment

the first to combine the study of representation gender theory and muslim women from a historical and geographical perspective this book examines where women have represented themselves in art architecture and the written word in the muslim world the authors explore the gendering and implicit power relations present in the positioning of subject and object in the visual field and look specifically at occasions when women publically adopted the stance of the viewer speaker writer or patron

welcome to history reads one of the endless opening pages of this dense paperback the shahrzad collective shirana shahbazi manuel krebs tirdad zolghadr once again tackles geopolitical aesthetics via idiosyncratic linkages of metonymy and allegory textual poetics and iconic

images blunt content and overbearing design in the words of the collective these days it seems that even in those prosperous provincial environs we call the west history is becoming a more complex affair than the eurocentric teleology of how we ended up the joyous pinnacle of civilization happy as pigs in shit and yet throughout this apparent free for all history as we know it persists the upshot of all that theorizing is a densely and decoratively set compendium of material from pliny the elder michael jackson and christopher columbus among other luminaries set under headings including the death of the historian the great wall of china mystery and ali g

nomadic voices of exile examines the effects of postmodern sentiment on perceptions of feminine identity since the end of the french colonial era the authors discussed here both those who reside in the maghreb and those who have had to seek asylum in france find themselves at the intersection of french and north african viewpoints exposing a complicated world that must be negotiated and redefined in looking at authors whose writings extend beyond a gender based dialogue to include other issues such as race politics religion and history valerie orlando explores the rich and changing landscape of the literature and the culture addresses the stereotypes that have defined the past and navigates the space of the exiled a space previously at the peripheries of western discourse
